 - <https://groups.tti.tamu.edu/cts/pedestrian-forum/2019-pedestrian-safety-forum/>

Update on 2019 Statewide Pedestrian Safety Forum

Sessions that are currently being put together for this year's forum include:

- Media and pedestrian safety
- Pedestrian safety enforcement education
- Equity, social justice and pedestrian safety
- Engineering countermeasures and urban design's impact on pedestrian safety
- Case studies on how cities are using data to improve pedestrian safety
- Pedestrian safety and transportation policy
- Intersection of public health and pedestrian safety
- Planning for pedestrian safety at the state, regional and local level
