Pedestrian deaths per 100,000 by race & ethnicity (2016-2020)

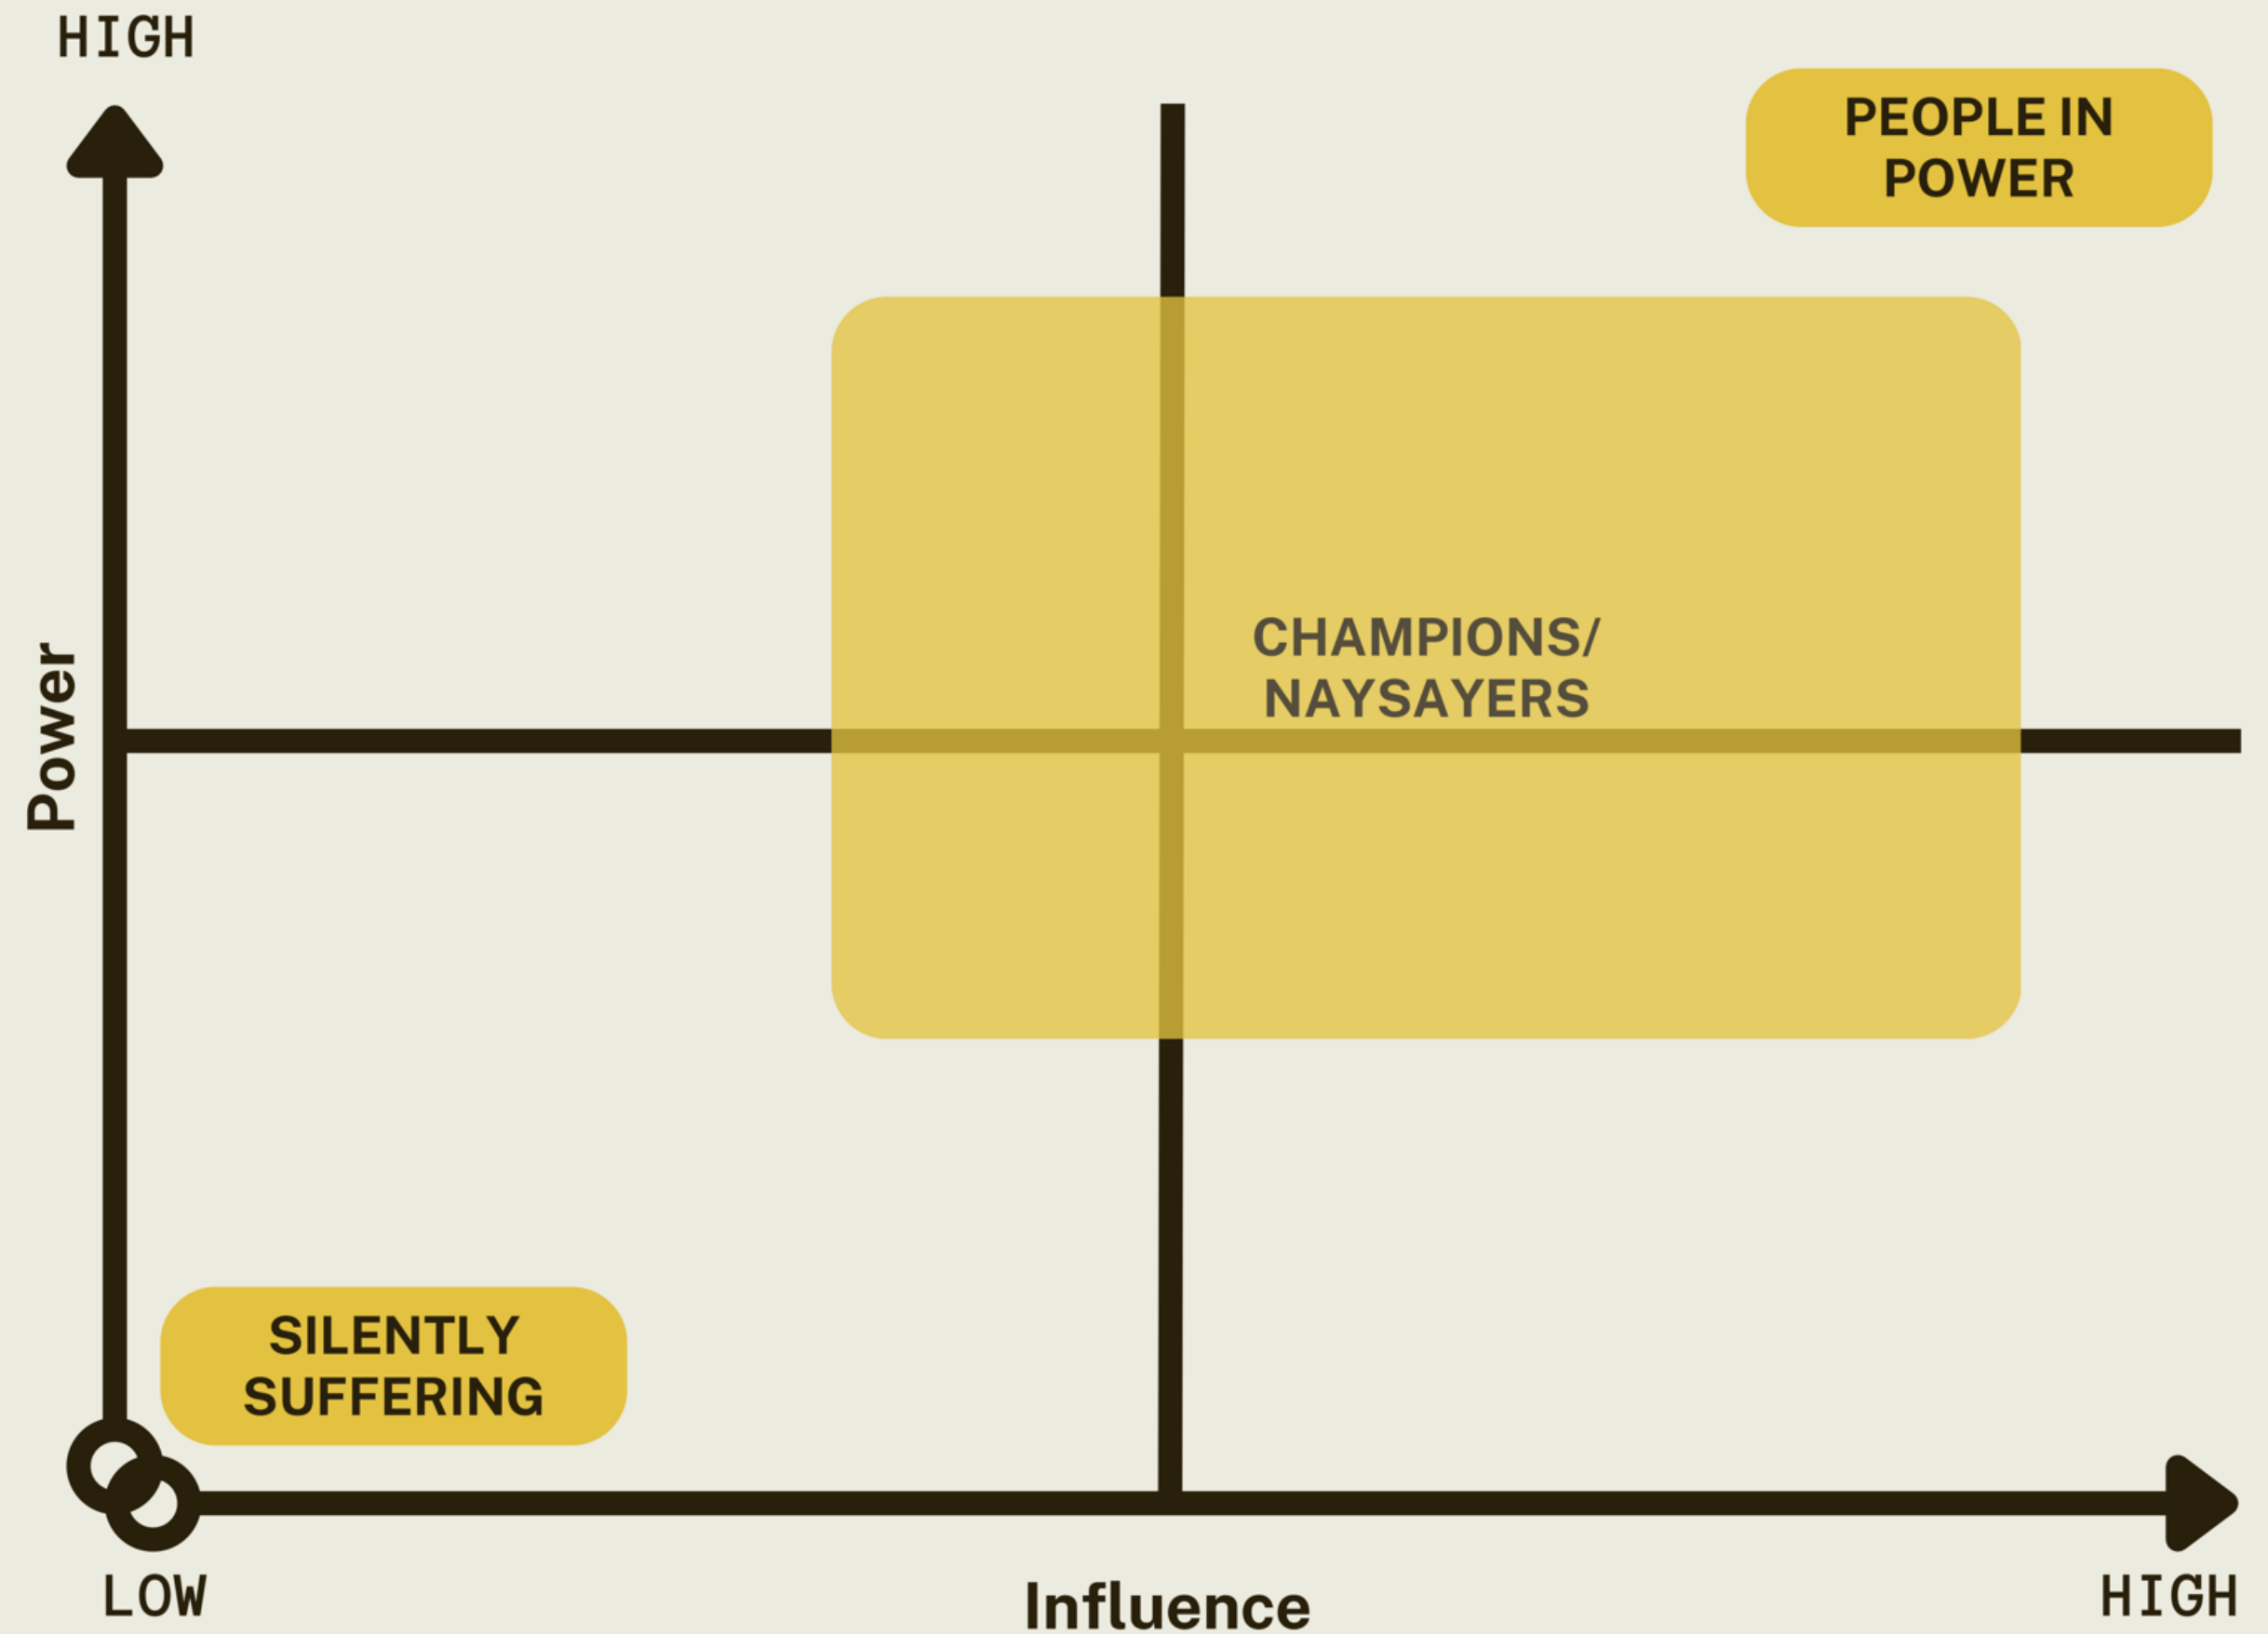

Dangerous by Design 2022

A photograph showing a line of approximately 15 children sitting on a concrete sidewalk. To their right is a large black SUV. The children are positioned in a way that demonstrates the vehicle's blind zones. The background includes a residential street with houses, trees, and a clear blue sky with some clouds. A silver car is visible in the distance on the left.
