

# ActivateSA

*Activating a Connected, Equitable, Resilient, and Safe San Antonio*

*Texas Pedestrian Safety Forum  
June 17, 2025*

# Who We Are

Formed in 2019, **ActivateSA** is a 501(c)(3) nonprofit grassroots organization.

**Our mission** is to activate a connected, equitable, resilient, and safe community for all San Antonians through transportation advocacy, consensus building, and education.

# ***Who We Are***

We **envision** a future San Antonio where people are empowered to move freely through connected, safe, resilient & equitable communities.

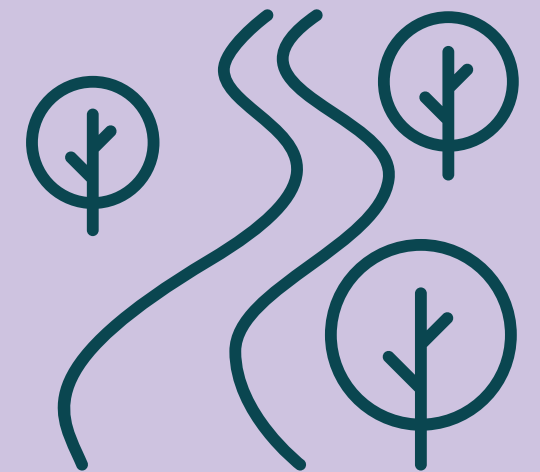

# ***What are we advocating for?***

## **An Active Transportation network that is...**

- Safe, Equitable, and Accessible Transportation Infrastructure
- Connected and Protected Bikeways
- Tree-Lined Sidewalks
- Expanded Greenway Trails

# ***What are we advocating for?***

**Activating San Antonio is all encompassing...**

- Social Mobility
- Resilient Neighborhoods
- Equitable Economic Development
- Public Transit
- Inclusive Land-Use Planning
- Affordable Housing
- Anti-displacement Protections

# Activating a Better San Antonio

Daily active transportation & transit advocacy for short term and long term solutions through:

- Awareness and empowerment efforts
- Storytelling
- Data analysis
- Community empowerment and mobilization
- Coalition building
- Technical assistance and review
- Events such as town halls and lectures
- Local Project Development and Implementation Advocacy (City of San Antonio, Bexar County, VIA, TxDOT, AAMPO, etc.)

## San Antonio advocate pushes for more safety after several hit-and-runs involving pedestrians, bicyclists

In the past 22 days, there have been at least six hit-and-run crashes, five of which were deadly

# It has been a big year for transportation policy in SA!

Between 2024 and early 2025, San Antonio has adopted:

- **Complete Streets Policy** (Sept 2024)
- **Vision Zero Action Plan** (Sept 2024)
- **Transit Oriented Development (TOD) Policy Framework** (Dec 2024)
- **Bike Network Plan** (Jan 2025)

ActivateSA has played a key role in supporting these policies and plans through:

- **Monthly Coalition Meetings**
- **Townhalls**
- **Community Event Tabling**
- **Petitioning**
- **Street Audits**
- **Media Campaigns**
- **Organizing a community presence at committees and city council meetings**

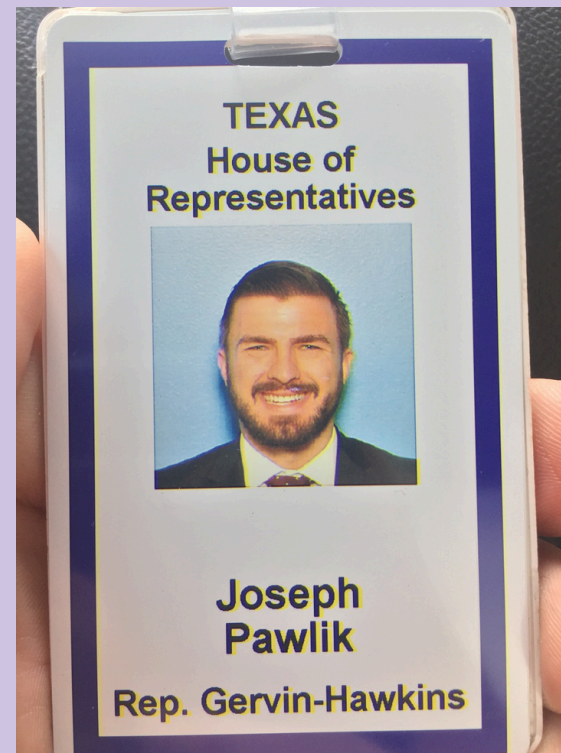

# A little bit about Joey

Happy, Young Cyclist!
